Melvin: hey whats up i thought you said that cupid thing was free
me: it is
Melvin: you have to pay to write to the people I cant message them
me: silly new yorker
me: that's just people whose message boxes are full
me: you can upgrade for that
me: but don't
me: just message someone esle
me: also, girls will message you
me: another think you can do
me: go up to matches
me: do quick match
me: just rate a bunch of girls
me: then they'll be asked to rate
me: you
Melvin: matches where is that
me: can't remember
me: it's under one of those buttons towards the top
me: should be a row of things that have various options if you click on them
Melvin: oh ok
Melvin: i dont see it son
me: one sec
Melvin: they probably changed it
me: click on Matches
Melvin: i dont see matches
me: or just move your cursor over it
Melvin: where is it
me: messages, matches, connections, treasures
me: a row of those words at top in blue
Melvin: i dont have that i can copy and show you
me: are you on an iphone or pc?
Melvin: a pc it says home message online now search mail chat
me: I don't know then
me: look around
Melvin: you look around you have your own place
